

EcoDistricts®

2016 IMPACT

FROM THE NEIGHBORHOOD UP

ECODISTRICTS™ DROVE SUSTAINABLE, DISTRICT-SCALE INNOVATION WORLDWIDE

In 2016, we launched the world's first district-scale sustainable development framework — EcoDistricts Certified — and continued to build the EcoDistricts marketplace with a series of leadership events that supported:

660

SUSTAINABLE URBAN DEVELOPMENT PRACTITIONERS, RESILIENCY OFFICERS, AND ENVIRONMENTAL + EQUITY ADVOCATES

6

COUNTRIES

1,528

PRACTITIONERS FROM 47 COUNTRIES ARE NOW USING THE PROTOCOL FRAMEWORK

8

LEADERSHIP EVENTS ACROSS 7 HOST CITIES

EDUCATED

500

CROSS-SECTOR PRACTITIONERS

FROM

113

CITIES

DELIVERING

48

NEED-BASED SCHOLARSHIPS TO DIVERSE DISTRICT TEAMS

149

PRACTITIONERS HAVE JOINED OUR PEER EXCHANGE COMMUNITY

“At a time when both our population and politics are shifting to cities, EcoDistricts Certified helps us manage our changing social and environmental conditions with intention — allowing us to shape the most desirable ways we can live in them.”

— RYAN GRAVEL, FOUNDER OF THE ATLANTA BELTLINE, AUTHOR AND URBANIST

“The launch of the EcoDistricts Certified — an initiative that Enterprise has helped guide — is an important framework for guiding catalytic neighborhood investments.”

— LAUREL BLATCHFORD, SENIOR VICE PRESIDENT, SOLUTIONS AT ENTERPRISE COMMUNITY PARTNERS

“CH2M stands behind EcoDistricts Certified as a framework to deliver livable, prosperous neighborhoods because it offers the key ingredients to continually drive targeted outcomes in equity, resilience and climate protection.”

— JOSEPH DANKO, MANAGING DIRECTOR, URBAN ENVIRONMENTS & SPORTS, CH2M
